The Motability Scheme

At Volkswagen, we take pride in inclusivity and as such we offer several of our derivatives on the Motability Scheme. The Motability Scheme helps people who qualify for a government-funded mobility allowance to exchange this to fund the lease of a brand-new Volkswagen.

The Scheme Offers These Benefits:

- A 3-year lease of a new Volkswagen
- A 30,000-mile allowance over the three years
- Includes insurance with up to three named drivers
- Includes servicing and maintenance plus replacement tyres
- Includes accident and breakdown cover
- Plus, enjoy all the benefits of a Volkswagen!

Do I Qualify?

To qualify, you must be in receipt of one of the government-funded mobility allowances listed below with at least 12-months allowance remaining.

- The Higher Rate Mobility Component of Disability Living Allowance (DLA)
- The Higher Rate Mobility Part of Personal Independence Payment (PIP)
- The War Pensioners' Mobility Supplement (WPMS)
- The Armed Forces Independence Payment (AFIP).

If you are unsure if you qualify, please visit www.motability.co.uk or ask one of our retailers for help.

To place an order for a Volkswagen on the Motability Scheme, please visit your local retailer. To find your nearest retailer visit Find A Volkswagen Van Centre Near Me | VW Vans.

In this price list, you can find the Volkswagens available on the Scheme. Listed is the Advanced Payment (AP) amount, this is a one-off payment required at the start of your lease. Alongside this, there is the weekly rental. Some vehicles will cost your whole weekly mobility allowance, shown as total allowance (TA) in the pricing table. Whereas other vehicles won't cost your full allowance and will take the amount shown in the table away from your weekly allowance, leaving the remainder of your allowance to spend as you wish.
