1 These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen-vans.co.uk/about-us/wltp. However, in line with Government guidance, to facilitate comparison between different models from different manufacturers and to accommodate the full transition to this new testing regime, we have displayed NEDC figures. These NEDC figures are the values for this vehicle used in registration and taxation documentation until further notice from the UK authorities. These NEDC figures have been derived from WLTP testing, and may not be equivalent to NEDC figures from NEDC testing, so comparisons may be unreliable. Fuel consumption and efficiency figures are provided for comparative purposes only and may not reflect 'real world' driving results. Choice of wheels and other options may affect fuel consumption and emissions data.

Options.

Paint.

Solid. Candy White (B4B4), Cherry Red (4B4B).

Solid. Grape Yellow (1C1C).

Please note: All data and specifications are in accordance with information available at the time of going to publication and are subject to change without notice. Unladen weight and payload may be influenced by the addition of factory options. Vehicles not currently in UK stock and customer order vehicles may take a number of weeks for delivery. Certain combinations of vehicle specifications and factory-fitted extras are not compatible and therefore all orders received are subject to confirmation. Models, factory-fitted options and paint and upholstery options are subject to availability. Please check details and availability with an authorised Volkswagen Van Centre at the time of ordering.
