

The Caravelle 6.1

Brochure – Stock only

Commercial
Vehicles

The icon, reinvented.

The Caravelle

6.1

Distinctive design.

The new, sharp front design features a larger grille, chrome detail and LED headlights¹, with new alloy wheels, new colour palette and a new LED tail light cluster providing a striking rear signature.

Proven quality.

As you'd expect, the Caravelle 6.1 is durable, versatile and built to last with a highly stable body, high quality materials and exceptional workmanship.

Impressive range of variants.

Choose from two equipment lines: Caravelle 6.1 SE and Caravelle 6.1 Executive, with two different engine power outputs and a great selection of optional equipment.

Optimum off-road mobility.

4MOTION all-wheel drive^{2,3}, double clutch gearbox DSG, Hill Descent Assist^{2,4,5,6}, Hill Hold Assist and mechanical differential lock drive^{2,4,5} provide impressive off-road mobility.

State-of-the-art driver assistants.

Fitted as standard are Adaptive Cruise control including Front Assist with City Emergency Braking⁵, Brake Assist and Crosswind Assist⁵. In addition Active Lane Assist^{2,5,6}, Rear Traffic Alert^{2,5} and Trailer Assist^{2,5} are optionally available.

Please note the Caravelle is only available from stock and not available to factory order.

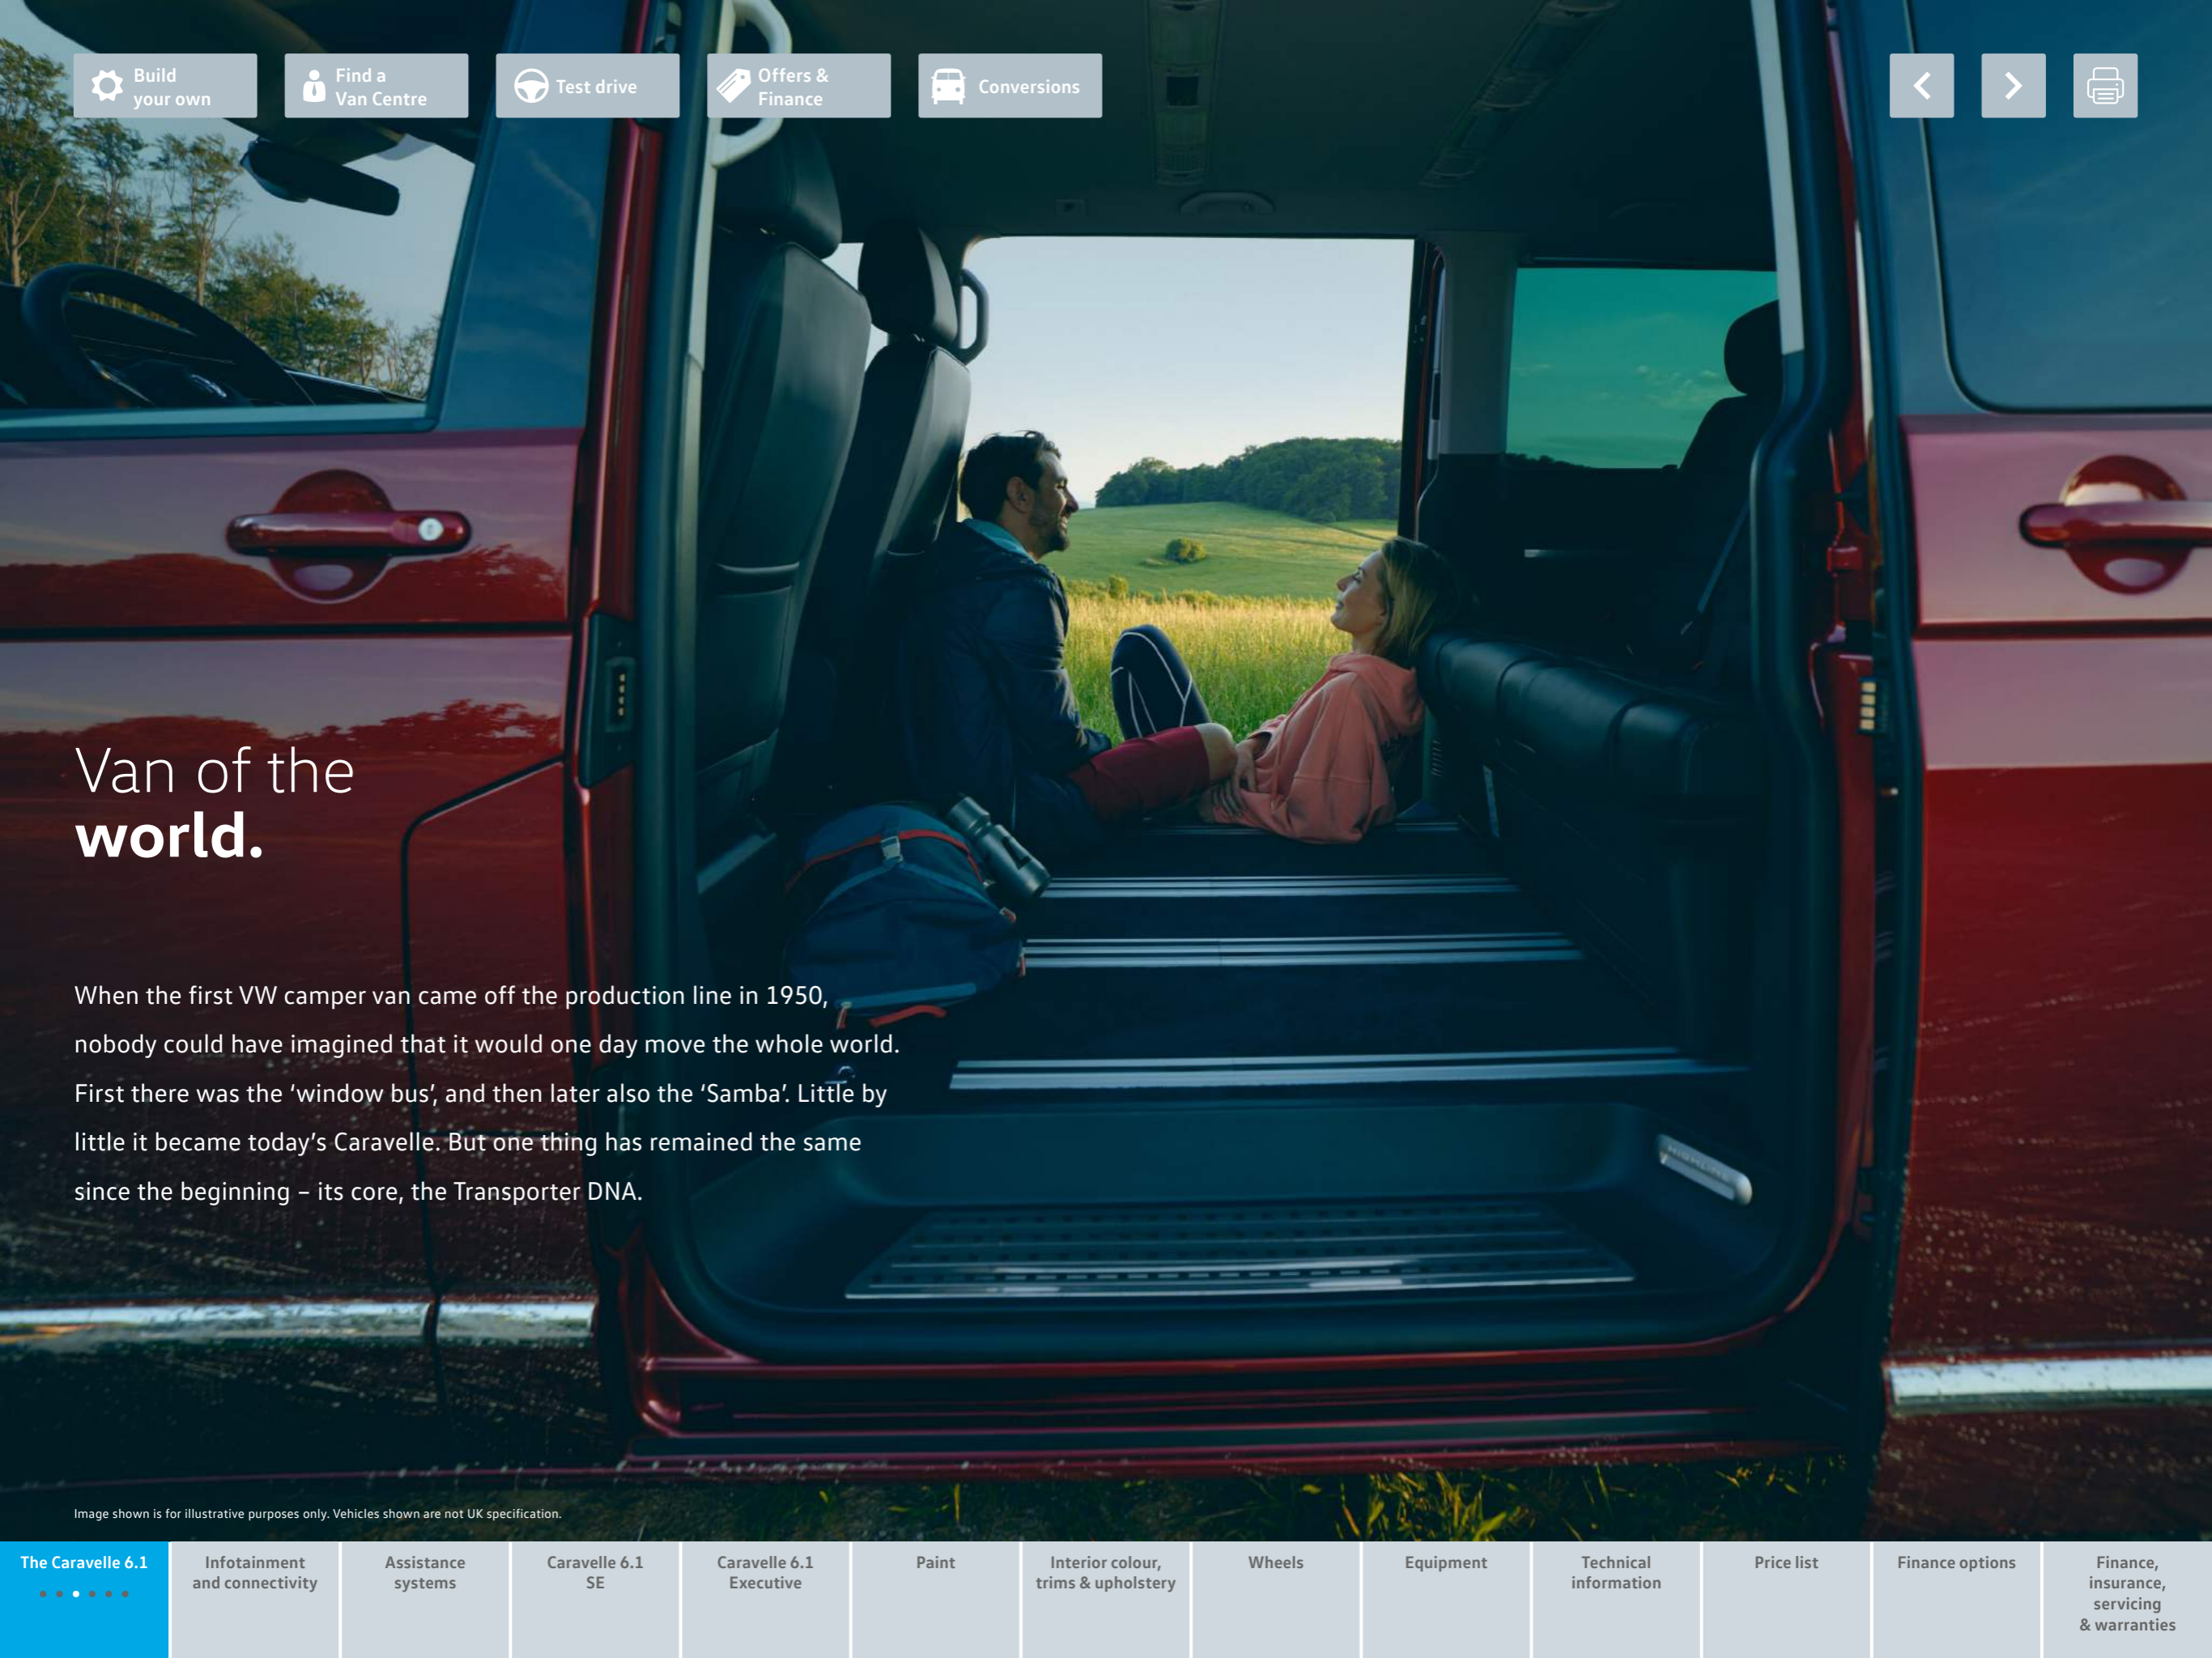

1 Standard equipment on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. 2 Optional at extra cost. 3 Not available for all engines. 4 Only available in conjunction with 4MOTION all-wheel drive. 5 Within the system's thresholds. 6 The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution.

Van of the world.

When the first VW camper van came off the production line in 1950, nobody could have imagined that it would one day move the whole world. First there was the ‘window bus’, and then later also the ‘Samba’. Little by little it became today’s Caravelle. But one thing has remained the same since the beginning – its core, the Transporter DNA.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Caravelle 6.1,
endless fun.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

More flexible. More variable. More carefully considered. The Caravelle 6.1 can do almost anything.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Highly versatile. The Caravelle 6.1 adapts to almost any family.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Slide. Fold. Turn. There are a great deal of good ideas in the Caravelle 6.1.

Closely integrated for the **future.**

Cars are getting smarter. The Caravelle 6.1 is already equipped with many digital technologies that make driving more comfortable. For example, the high-resolution Digital Cockpit¹ with map display. Or Volkswagen We Connect² featuring multiple services that turn your smartphone into a remote control for the car. And this is just the beginning.

¹ Standard equipment on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. ² To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

New Digital Cockpit.

You can now experience digital progress up close in the Caravelle 6.1. State-of-the-art infotainment systems and the Digital Cockpit¹ offer many new functions. The latter immediately impresses with its 10.25 inch display, its intense colours as well as its bright and extremely high-contrast imagery. The Digital Cockpit¹ is operated via the touch display of the infotainment system and via the leather trimmed multi-function steering wheel. Use the buttons to conveniently scroll through the playlist in your smartphone media library, select the next call via your contacts list or set the safety distance with Adaptive Cruise Control ACC³.

Even more possibilities arise when the Digital Cockpit¹ is combined with the Discover Media navigation² or Discover Pro navigation sytem². A large second navigation map can then be positioned on the Digital Cockpit¹. In addition, traffic jam information and available parking spaces can be imported via the Internet. An additional benefit: both maps can be zoomed in at different distances. For example, the Digital Cockpit¹ only shows the immediate environment, while you have a large overview on the navigation system.

1 Standard on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. 2 Optional at extra cost. 3 Within the system's thresholds. 4 Only available in conjunction with the Discover Media navigation or Discover Pro navigation system.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Audio and communications.

Composition Colour DAB+ radio system.

The system with a 6.5 inch colour touch-screen display, four x 20 watt output and six loudspeakers, SD card slot, two external USB (type-C) ports and Bluetooth®, supports We Connect¹ services and selected We Connect Plus^{1,2} services.

Discover Media DAB+ navigation system including 'Streaming & Internet'.³

The system with an 8 inch colour touch-screen display including proximity sensors, four x 20 watt output and six loudspeakers offers hybrid navigation, a choice of map options, free online map updates, 32GB of media storage, two external USB (type-C) ports and Bluetooth®, natural voice control and Internet radio. The system also supports wireless⁴ App-Connect, We Connect¹ and We Connect Plus^{1,2} services.

Discover Pro DAB+ navigation system including 'Streaming & Internet'.⁵

In addition to the functions of the Discover Media navigation system including 'Streaming & Internet', the system has a 9.2 inch colour touch-screen display including gesture control, 64GB of media storage and simultaneous display of the navigation map on the Digital Cockpit³ and navigation screen.

1 To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com, and use the services for the full duration of the agreed free period. 2 Free of charge for the first year when you order Composition Colour or Discover Media navigation system including 'Streaming & Internet'. Free of charge for three years when you order Discover Pro navigation system including 'Streaming & Internet'. There is an extra charge in the event of renewal once the free period has expired. 3 Standard on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. 4 Only in conjunction with compatible Apple CarPlay devices on the navigation infotainment systems. 5 Optional at extra cost.

We Connect and We Connect Plus.

Your vehicle's technology, at your fingertips.

With Volkswagen We Connect¹ driving a van will now be even more digital. The We Connect¹ App connects your smartphone to the vehicle with an integrated eSIM card. To take advantage of these exclusive services, you can register today with the We Connect¹ Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

We Connect¹

- BREAKDOWN CALL**

In the event of a breakdown, we get to your location quickly. With 'Breakdown Call', you can call for breakdown assistance from your vehicle with the press of a button. The system will send your location and vehicle information directly to the AA Call Centre.
- PARKING POSITION**

The 'Parking Position' Service shows you where your car is located. If necessary, it can also show you the fastest way of getting to it.
- SERVICE SCHEDULING**

You drive – Volkswagen 'Service Scheduling' looks after the rest. As soon as your vehicle's service is due, a notification will automatically be sent to your chosen Volkswagen Van Centre, who will be in touch to book the service appointment with you.
- EMERGENCY CALL SERVICE**

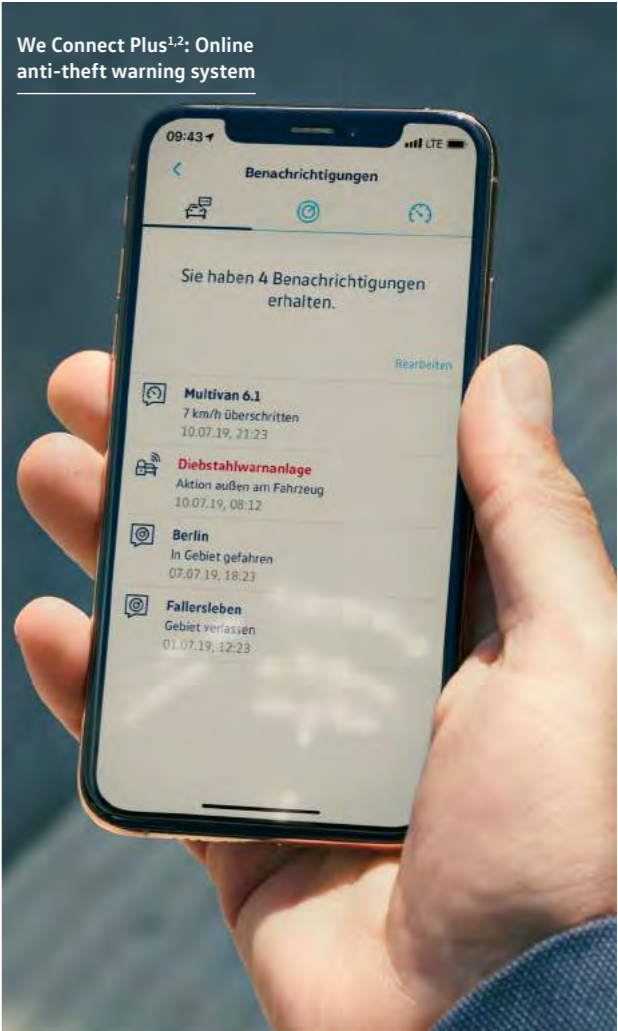

In the event of a serious accident, you can press the 'eCall' button to speak to the emergency services who will automatically dispatch help to your exact location or, in the event your vehicle is involved in an accident, they will contact you and will automatically dispatch help if you are not able to respond.

We Connect Plus^{1,2}

- LOCK & UNLOCK**

'Lock & Unlock' allows you to control the central locking system of your vehicle – using your smartphone, you can conveniently lock and unlock the doors and luggage compartment.
- ONLINE ANTI-THEFT ALARM***

Sit back and relax – your vehicle can look after itself. If an attempt is made to break into the car, the 'Online Anti-Theft Alarm' will inform the We Connect app on your smartphone or by email.

1 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time. 2 Free of charge for the first year when you order Composition Colour or Discover Media navigation system. There is an extra charge in the event of renewal once the free period has expired. For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. Intelligent driver assistants give you peace of mind.

Driving the Caravelle 6.1 offers high levels of safety and peace of mind, thanks to a host of standard and optional driver assistance systems. Whether you require assistance when parking, driving, changing lanes or towing a trailer, the latest assistants monitor the situation, taking preventative action in critical situations.

Park Assist.^{1,2}

Park Assist aids positioning into parking spaces. When reverse is engaged, the vehicle assumes control of the steering. All that's required of the driver is to operate the pedals, whilst keeping a good lookout.

Trailer Assist.^{1,3}

Trailer Assist automatically manoeuvres the vehicle and trailer during parallel and reverse parking, only in combination with tow bar preparation or removable and lockable tow bar.

Side protection.^{1,2,4}

As part of Park Assist, Side protection monitors the vehicle's sides and alerts you with visual and audible warnings if you're getting too close to other vehicles, pillars, walls or pedestrians.

Crosswind Assist.¹

As part of the standard Electronic Stabilisation Programme (ESP), Crosswind Assist applies adaptive braking intervention when the vehicle encounters a strong crosswind.

¹ Within the system's thresholds. ² Standard equipment on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. ³ Optional at extra cost. ⁴ No direct detection of lateral obstacles by sensors. Obstacles are 'estimated' by the system when they are detected by the front/rear sensors as the vehicle passes. ⁵ The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution. ⁶ Only available in conjunction with 4MOTION all-wheel drive. ⁷ Not available for all engines. ⁸ Not available for the Caravelle 6.1 SE long wheelbase.

The Caravelle 6.1	Infotainment and connectivity	Assistance systems	Caravelle 6.1 SE	Caravelle 6.1 Executive	Paint	Interior colour, trims & upholstery	Wheels	Equipment	Technical information	Price list	Finance options	Finance, insurance, servicing & warranties
-------------------	-------------------------------	--------------------	------------------	-------------------------	-------	-------------------------------------	--------	-----------	-----------------------	------------	-----------------	--

Traffic Sign Recognition.^{1,3}

Detects road signs and informs the driver. Optionally available in combination with the Discover Media navigation system including 'Streaming & Internet or Discover Pro navigation system including 'Streaming & Internet'.

Active Lane Assist.^{1,3,4}

Active Lane Assist countersteers the vehicle if the driver unintentionally drifts from a lane. The system also emits audible and visual warnings via the multi-function display to alert the driver of danger.

Rear Traffic Alert.^{1,3}

As part of Active Lane Assist, Rear Traffic Alert helps by emitting an audible warning when reversing out of a parking space if another vehicle is approaching. If the driver fails to respond, the system intervenes and applies braking to help avoid a collision.

Tyre pressure monitoring system.^{1,3}

Displays the current pressure for every tyre and warns of deviations from the set pressure.

Adaptive Cruise Control (ACC).¹

Adaptive Cruise Control uses a front radar to measure the distance (up to 120 metres) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the Front Assist with City Emergency Braking System. This detects critical distances, warns of hazardous situations and when necessary, a speed of up to 18mph triggers emergency braking.

Hill Descent Assist.^{1,3,6}

Allows you to descend slopes in a safe, controlled way by regulating the engine speed and applying the brakes as necessary.

¹ Within the system's thresholds. ² Standard equipment on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. ³ Optional at extra cost. ⁴ The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution. ⁵ The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution. ⁶ Only available in conjunction with 4MOTION all-wheel drive. ⁷ Not available for all engines. ⁸ Not available for the Caravelle 6.1 SE long wheelbase.

Optimum performance,
On any terrain

A vehicle is even more fun when it's tuned to your personal driving style. That's why the Caravelle 6.1 comes with a choice of front or 4MOTION all-wheel drive^{3,7}, dual clutch DSG gearbox and Dynamic Chassis Control (DCC)^{3,8}, with three different driving profiles, to meet your exact requirements.

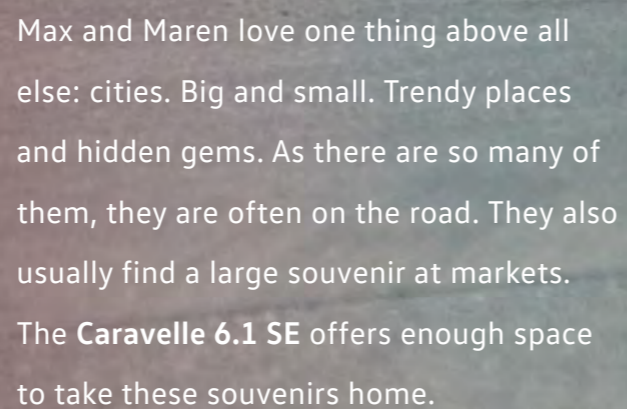

Dual clutch gearbox DSG. The standard 7-speed dual clutch gearbox DSG delivers fully automatic, almost imperceptible gear changing with no interruption in power flow, significantly enhancing driving comfort and efficiency. Choose between normal and sport mode.

Dynamic Chassis Control (DCC).^{3,8} Dynamic Chassis Control (DCC) offers you a choice of three settings: Sport, Comfort or Normal. At the touch of a button, depending on your choice, the system adjusts the damping, enabling you to adapt your Caravelle 6.1 to suit the road and your driving style.

4MOTION all-wheel drive.^{3,7} 4MOTION all-wheel drive provides impressive traction, optimum handling and greater steering control, helping you master difficult conditions. The power transmission adjusts automatically to the driving situation via an electronically controlled clutch on the rear axle.

Mechanical differential lock.^{3,6} The mechanical differential lock is available on request for the rear axle, providing additional support to the 4MOTION all-wheel drive^{3,7} making it easier to pull away in difficult off-road conditions and making the Caravelle 6.1 one of the most effective all-terrain vehicles in its class.

Caravelle 6.1 SE.

Max and Maren love one thing above all else: cities. Big and small. Trendy places and hidden gems. As there are so many of them, they are often on the road. They also usually find a large souvenir at markets.

The **Caravelle 6.1 SE** offers enough space to take these souvenirs home.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Starting from
£51,074[†]

Please
click here
for more
details.

Upon arrival, the Caravelle 6.1 SE can be steered gently over cobblestones. The Dynamic Chassis Control (DCC)^{2,3}, comfortably cushions uneven surfaces. Even parking in underground garages is no problem. With a vehicle height of less than 2m⁴, the Caravelle 6.1 fits through almost any entry system. If you then stroll around the alleys and see a beautiful piece of furniture, there is no need to hesitate for long. Thanks to the rail system, the luggage compartment can be enlarged at will. Giving you the freedom you need.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

† Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

Perfect
for a long weekend.

The Caravelle 6.1 SE with long wheelbase.

Even 40cm¹ more can make a difference. For example, when the relatives announce that they are coming on the weekend excursion. Suddenly, not just five or seven – but eight² full seats are needed. No problem for the **Caravelle 6.1 SE with long wheelbase¹**.

1 The long wheelbase is only available for the Caravelle 6.1 SE. 2 Optional at extra cost. Available on Caravelle 6.1 SE LWB models only.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

A front-facing view of a gold-colored Volkswagen Caravelle van. The vehicle features a prominent chrome grille with the VW logo in the center, large headlights, and a black bumper. The license plate area displays the word "Caravelle". The background is a solid, light brown color.

“Others choose
a sports car.
I need a car for sport.”

No other vehicle combines leisure and work as perfectly as the Caravelle 6.1 Executive. Carefully developed, the design still carries elements of its legendary predecessor. The numerous chrome parts and the multi-functionality are a homage to the very first Volkswagen T1. A total of six chrome-coloured trims adorn the front of the vehicle. One of them, the bottom one, completely frames the elegant all-rounder. The Caravelle 6.1 Executive is stylishly rounded off by its standard 17 inch ‘Aracaju’ alloy wheels in silver, the new LED headlights, LED tail lights and the dark privacy glass.

Its highly functional vehicle interior, however, shows that it is capable of much more than just a stunning appearance. From the simultaneous display of the navigation map on the Digital Cockpit and the screen of the Discover Pro navigation system¹ to the removable coolbox¹ for cool drinks and practical accessories such as sturdy bicycle attachments¹, the Caravelle 6.1 Executive impresses with many leisure details. A wonderful way to combine work and leisure.

1 Optional at extra cost.
2 Image shown features an optional Discover Pro navigation system including ‘Streaming & Internet’.

Leather trimmed multi-function steering wheel and Digital Cockpit²

Starting from
£57,164[†]

Please click here for more details.

The spacious vehicle interior of the Caravelle 6.1 Executive can also be used in everyday working life. With its comfortable three-seater bench seat, its two individual swivel seats and the multi-functional table that can be moved and folded out freely, the passenger compartment is perfectly equipped for short meetings. Power for laptops and smartphones is supplied by two 12V sockets in the dashboard and the two USB (type-C) charging sockets in the side trim. And thanks to the Climatronic three-zone air conditioning system, you can keep a cool head even during longer negotiations.

1 Standard on SE SWB models. 2 Standard on SE LWB models.

Detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments can be found by visiting the Volkswagen Commercial Vehicles online car configurator at www.volkswagen-vans.co.uk/en/configurator.html

My Caravelle. My life.

The decision for a Caravelle 6.1 is always a decision for more freedom. For the freedom to follow one’s heart alone and to consistently go one’s own way. This also applies to the equipment. The extensive standard equipment can be tailored precisely to your individual needs with many other extras.

Addicted to freedom.

With attention to detail.

Cuddly bear.

Do you work in your vehicle on a regular basis or do you want to spend the night in the vehicle? Then the power auxiliary air heater⁴ with up to 3,000 watts will keep the vehicle interior pleasantly warm for up to 48 hours.

Quiet machine.

It's quiet in the Caravelle 6.1. There are several reasons for this. The balance shaft on the engine is one of them. It swallows engine vibrations before they occur. The result: the engine runs much more quietly. The rest is largely absorbed by the assembly carrier, which is decoupled from the running gear. Even quieter with the insulating glass package⁴. It significantly reduces external noise.

Neck protector.

In the Caravelle 6.1, it is no coincidence that the air vents are located in the middle of the passenger compartment in the recirculating air canopy. Not only are they easily accessible for everyone, they also do not blow cold air from the side or from behind into the neck if the seats are positioned accordingly.

Quick loader.

Long objects, such as skis, do not necessarily have to be attached to the roof. They can also be easily pushed under the three-seater bench seat and safely transported in the passenger compartment.

More sensitive.

Everyone is familiar with the problem of the sweltering sun shining on one side of the car. Climatic air conditioning¹ provides a remedy for the front passengers. Special sensors automatically adjust the cooling output of the air conditioning system to the sun's rays.

Top dog.

Maximum interior space. Outside as compact as possible. The Caravelle 6.1 is consistently designed for everyday life. On the one hand, it offers the vehicle occupants plenty of head and legroom. On the other hand, thanks to its vehicle height of less than 2m², it fits in most underground garages. The short wheelbase also allows a small turning circle of only 11.9m².

Door stopper.

The electric sliding doors³ have multiple little small guards that make sure that nothing gets trapped – no matter whether the doors are opened and closed from the cockpit, using the remote control key from a distance or directly using the door handle. The built-in sensors respond immediately to the slightest touch.

Rollerblader.

Nothing gets caught in the Caravelle 6.1. Seats, multi-functional table and coolbox⁴ run quietly back and forth on the aluminium rail system thanks to the hard rubber rollers – from front to back in the passenger compartment. There are no defined seating areas. So it does not matter where on the rail the seats are engaged: in any case, they are always well secured.

¹ Climatic air conditioning is standard on the Caravelle 6.1 SE. Climatronic three-zone is standard on the Caravelle 6.1 Executive. ² Please note that these are approximate values and dimensions may vary due to manufacturing tolerances. ³ Standard on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. ⁴ Optional at extra cost.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1.5.2022. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

RDE2 refers to Real Driving Emissions Step 2.

Caravelle SE long wheelbase							
2.0TDI 150PS 7-speed DSG	Yes	3,080	1,620 / 1,600	2,500 / 750	5,300	2,446	634
2.0TDI 204PS 7-speed DSG	Yes	3,080	1,620 / 1,600	2,500 / 750	5,300	2,448	632
Caravelle Executive short wheelbase							
2.0TDI 150PS 7-speed DSG	Yes	3,000	1,610 / 1,515	2,500 / 750	5,300	2,422	578
2.0TDI 204PS 7-speed DSG	Yes	3,080	1620 / 1,515	2,500 / 750	5,300	2,435	645
2.0TDI 204PS 4MOTION 7-speed DSG	Yes	3,080	1,620 / 1,515	2,500 / 750	5,300	2,545	535

1 Unladen weight includes approximately 90% fuel load and 75kg for driver.

2 Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Roof load limit: 100kg (with two roof carriers) or 150kg (with at least four roof carriers). Trailer nose weight: 100kg.

RDE2 refers to Real Driving Emissions Step 2

* Please [click here](#) for more details on manufacturer's on the road (OTR) package.

Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1.5.2022. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

2 From 1 April 2021, the official CO₂ emissions values used to calculate Vehicle Excise Duty (VED) charges will change for all passenger car registrations in the UK, due to a change in the method of testing. This will affect the Recommended 'On The Road' (ROTR) price you pay (in most circumstances, prices will increase). The Recommended 'On The Road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2021. Choice of wheels and other options may affect fuel consumption, BIK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2021.

Please note the Caravelle is only available from stock and not available to factory order.

Finance made simple

As dedicated to finance as we are to your new Caravelle 6.1

Learn more about our range of finance products to find a finance package that suits your budget. Alternatively, 'Click on' the Offers & Finance button above to find out more about our latest offers to help your business thrive.

Solutions Personal Contract Plan
Not sure if you want to own or hire? Make the decision later. Pay monthly payments for the length of your agreement. At the end you can decide to keep (once all payments have been made), upgrade or return the vehicle.

Hire Purchase
Make all the regular monthly payments. At the end the vehicles is yours.

Lease Purchase
Make lower monthly payments by deferring an amount until the end. Once paid the vehicle is yours.

Contract Hire
Pay fixed monthly rentals to hire the vehicle. Look after it so at the end you can return it hassle free.

Finance Lease (full pay out)
Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle and receive a percentage of the sale proceeds. Or retain the use of your vehicle by paying a reduced annual rental.

Finance Lease (balloon repayment)
Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle to settle the outstanding amount and receive any excess sale proceeds. Or pay the 'balloon' payment and retain the use of your vehicle by paying a reduced annual rental.

Finance subject to status. Available to 18s and over in the UK only. Terms and Conditions apply. Volkswagen Commercial Vehicle Financial Services.

Finance, insurance, servicing and warranties

Finance and insurance.¹

When it comes to paying for your van, we’ve got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance with lots of features and benefits as standard.

A choice of packages.²

Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that’s perfect for your business, we’re here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

Volkswagen Car Insurance.³

Complimentary Volkswagen Drive Away Insurance

Every new and Approved Used Volkswagen comes with five days’ complimentary insurance cover, getting you on the road quickly and easily. Volkswagen Drive Away Insurance is designed specifically for your Volkswagen and guarantees that your vehicle will be repaired in a Volkswagen Approved Repairer. Speak to your Volkswagen Van Centre for more details. *Subject to eligibility.*

We will also provide you with an annual quote, with no additional questions asked,so you can continue to enjoy all the benefits Volkswagen Car Insurance offers. Read on for more details.

Volkswagen Car Insurance

Volkswagen Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your Volkswagen. Just as you’d expect from Volkswagen, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost. Insure your car with Volkswagen and relax knowing we only use Volkswagen trained technicians, who know your car inside out, and Volkswagen genuine parts*, giving you the peace of mind that your Volkswagen will be repaired to the same high standards as before and to original manufacturer specifications.

**Excludes windscreen claims.*

To get a quote or find out more, visit www.insurewithvolkswagen.co.uk/car-insurance

Alternatively, call us on **0345 877 6464**.

We’re available Monday to Friday 8am-8pm, and Saturday 9am-5pm.

Volkswagen Commercial Vehicle Gap Insurance.⁴

What is Volkswagen Commercial Vehicle Gap Insurance?

If your Volkswagen Commercial Vehicle is written off, your motor insurer will usually pay out based on the current market value of your vehicle. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new Volkswagen Commercial Vehicle, or help pay off any outstanding finance, lease or hire agreement.

There are two options for you to choose from:

Volkswagen Commercial Vehicle Gap Insurance

This pays the difference between the write-off settlement from your motor insurer and the price you paid for your Volkswagen Commercial Vehicle, or the outstanding balance payable to the finance company, whichever is the greater amount.

If your vehicle is leased or hired, Volkswagen Commercial Vehicle Gap Insurance will cover the difference between the write-off settlement from your motor insurer and the early termination charge. This includes any rentals paid in advance as a deposit up to £2,000.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

Volkswagen Commercial Vehicle Gap Insurance Plus

In addition to all the benefits of Volkswagen Commercial Vehicle Gap Insurance, the Volkswagen Commercial Vehicle Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written-off during the additional 12-month fixed benefit period of insurance, Volkswagen Commercial Vehicle Gap Insurance will pay a fixed sum of £2,500.

To discover the additional benefits and full terms and conditions, please refer to the Cover Booklet.

For more information about Volkswagen Commercial Vehicle Gap Insurance, please speak to your nearest participating Volkswagen Van Centre or visit www.insurewithvwcv.co.uk/gap-insurance.

Servicing and support.

We’re here to keep your business moving, with our range of three award-winning⁵ servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply.

For more detail, please visit: www.volkswagen-vans.co.uk/aftersales

Fixed cost maintenance.

This option is available for vehicles that are less than twelve months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only; Service and Maintenance; or Service, Maintenance and Tyres.

Service Plans.⁶

Designed to keep you on the road, you can plan ahead and cover your next two services with a Service Plan. With the same pricing across all eligible models, we’ve made paying for your first two services as easy as possible with the option to pay upfront or spread the cost over 24 months.

Pay on demand.

If you’re looking for freedom and flexibility with your servicing, it’s good to know we’re ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

Roadside Assistance.

We understand the need to keep you mobile. That’s why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

Assistance benefits include:

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

Warranties.

You can count on us long after you purchase your Caravelle, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your Caravelle is under warranty, we’ll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner’s manual.

For more detail, please visit: www.volkswagen-vans.co.uk/aftersales.

Factory extended warranty.

You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment.

For more detail of cover levels, along with terms and conditions, please visit: www.volkswagencvwarranty.co.uk where you’ll also be able to obtain a quote and purchase a Factory extended warranty.

Paint and body warranty.

Your Caravelle’s exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for twelve years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner’s manual.

The Van Centre network.

Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it’s full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **65 Van Centres** and **30 Authorised Repairers**, means you’re only around 45 minutes on average from our door.
