

An electrifying new generation of Transporter

Commercial
Vehicles

The icon, evolved

The new Transporter improves on its award-winning predecessors in every way that matters.

It delivers a larger load compartment and heavier payload – making light work of substantial loads without compromising on manoeuvrability.

A larger cabin and new digital cockpit make for a more comfortable driving experience. But its headline features are a new range of powertrains featuring plug-in hybrid (eHybrid) and all-electric (e-Transporter) options.

Bigger loads, better performance

A more spacious load compartment, higher maximum payload and increased towing capacity mean the new Transporter is ready to do some serious work. The increased length makes it easy to stow Euro Pallets.

Increased load compartment of **5.8 m³** (6.8 m³ on longer wheelbase model)

Up to **1.3 tonnes** maximum payload (for TDI models and up to 1 tonne for BEV models)*

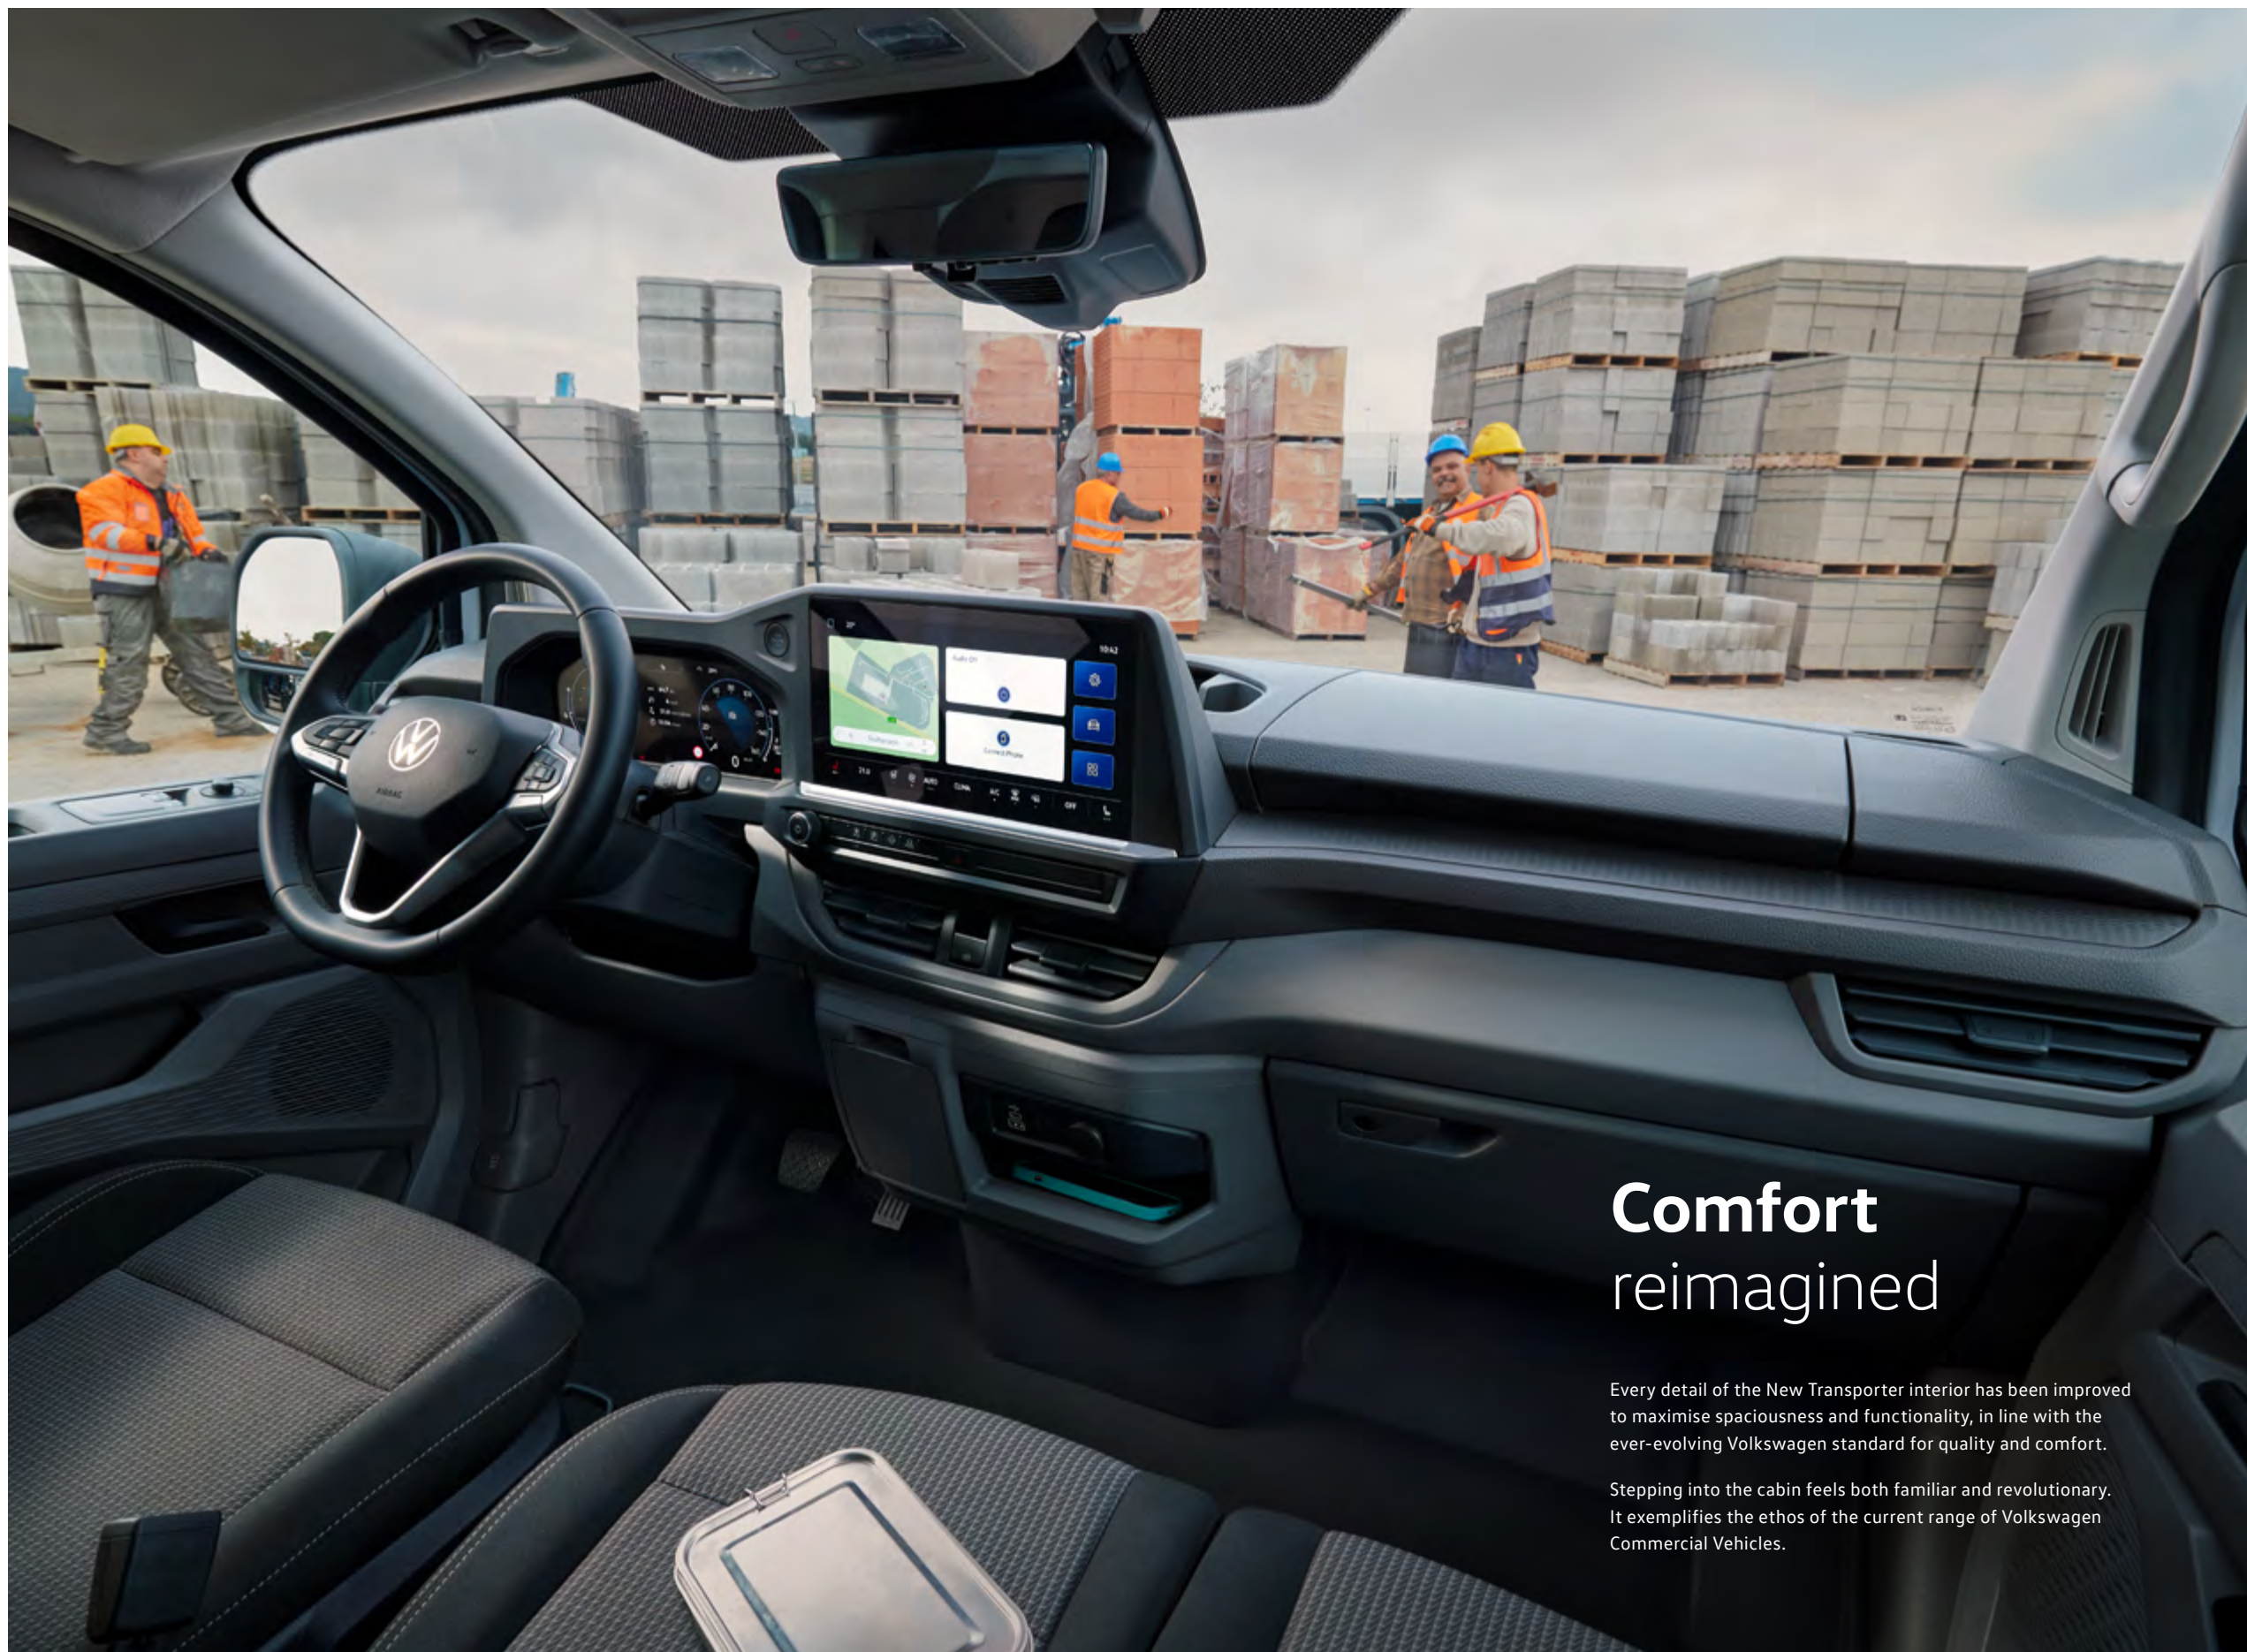

Towing capacity of up to **2.8 tonnes** (up to 2.3 tonnes for BEV)

60mm longer load compartment (SWB models) and 128mm wider than the Transporter 6.1

Interior can be customised with partition walls to your needs

Choose between a tailgate or wide-opening wing doors

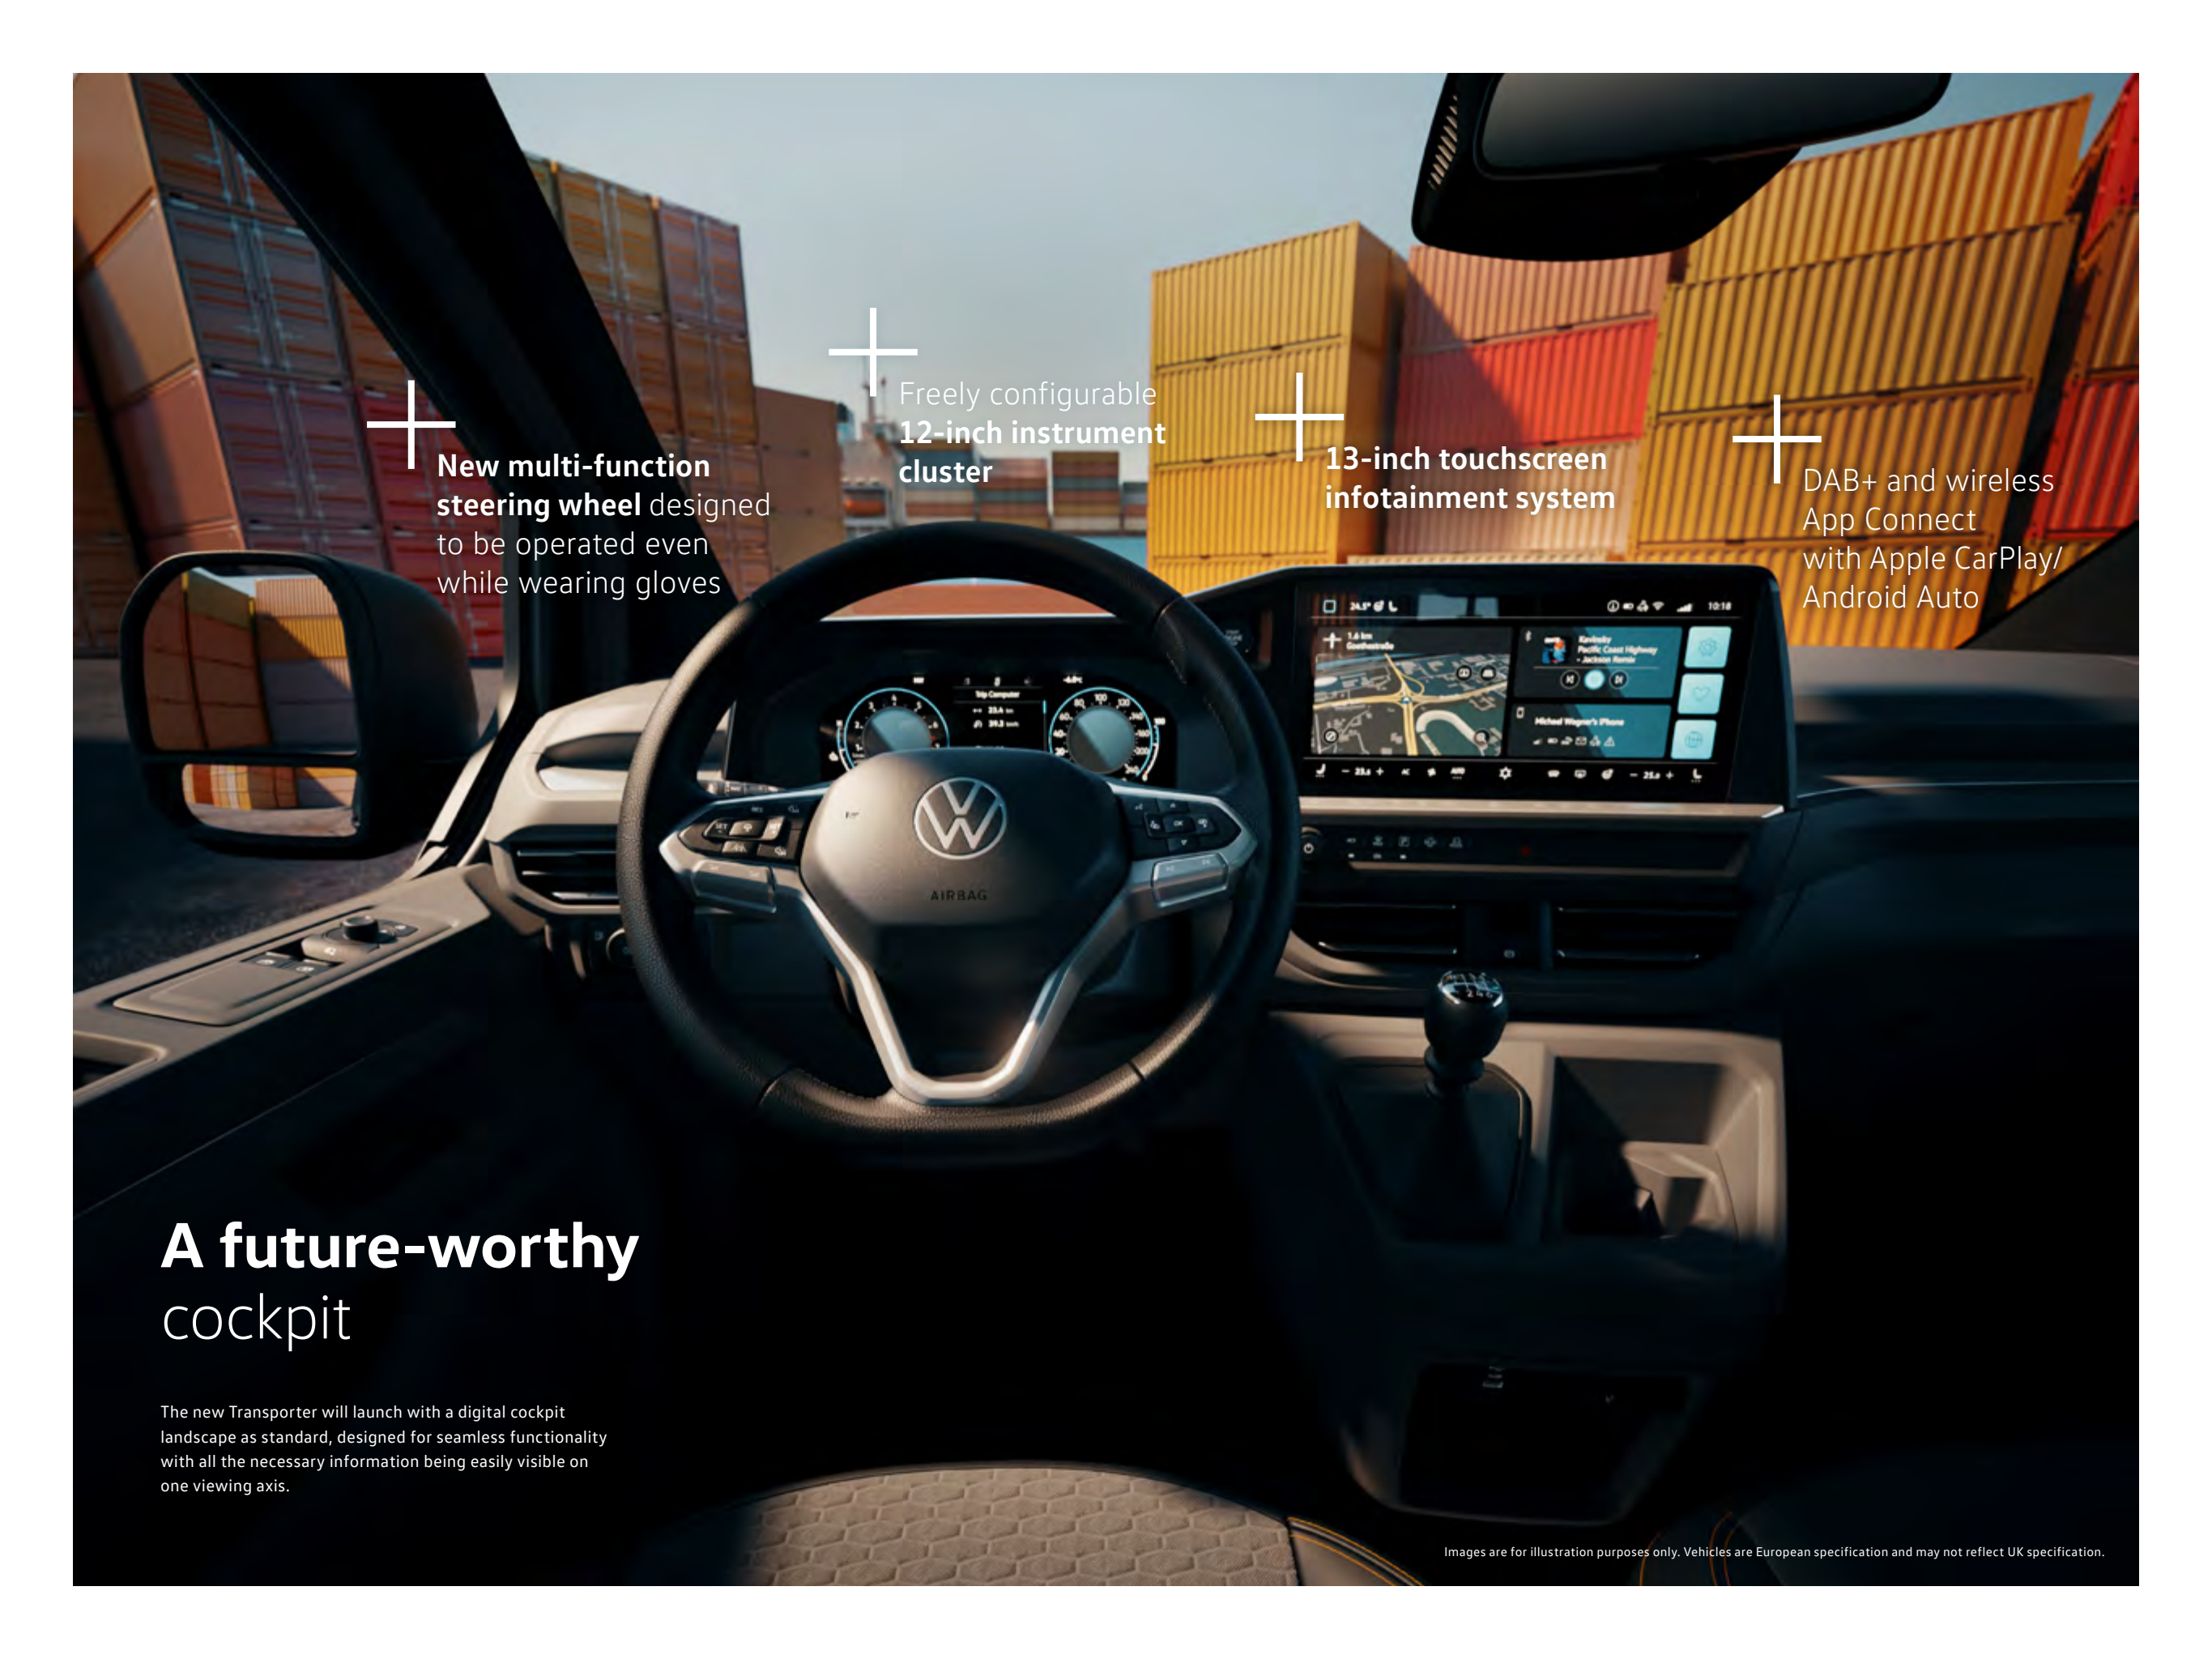

*The vehicle technical data in this brochure is provisional and pending final confirmation.

Comfort reimagined

Every detail of the New Transporter interior has been improved to maximise spaciousness and functionality, in line with the ever-evolving Volkswagen standard for quality and comfort.

Stepping into the cabin feels both familiar and revolutionary. It exemplifies the ethos of the current range of Volkswagen Commercial Vehicles.

A detailed view of the interior of a Volkswagen Transporter, focusing on the driver's side. The steering wheel is black with silver accents and the VW logo. Behind it is a large, curved digital instrument cluster. To the right of the steering wheel is a large, wide touchscreen infotainment system displaying a navigation map and various vehicle settings. The center console has a gear shifter and handbrake. The background shows a stack of colorful shipping containers (yellow, orange, red) under a clear sky, suggesting a port or industrial setting. The overall lighting is warm, with a golden glow from the containers.

+ **New multi-function steering wheel** designed to be operated even while wearing gloves

+ **Freely configurable 12-inch instrument cluster**

+ **13-inch touchscreen infotainment system**

+ **DAB+ and wireless App Connect with Apple CarPlay/Android Auto**

A future-worthy cockpit

The new Transporter will launch with a digital cockpit landscape as standard, designed for seamless functionality with all the necessary information being easily visible on one viewing axis.

Images are for illustration purposes only. Vehicles are European specification and may not reflect UK specification.

Driveability enhanced

Despite its increased load capacity, the standard New Transporter remains under 2.0 metres in height for easy access to conventional multi-storey car parks. While a turning circle of only 11.9 metres makes light work of tight bends and manoeuvres.

TDI and eHybrid models will come with front-wheel drive. The 4MOTION all-wheel drive system is available as an option for the TDI versions from 150PS. All-electric models have rear-wheel drive; an all-wheel drive version will be available at a later date.

An innovative powertrain range

This generation of Transporters will be available in the widest range of driver options than ever before. For the first time, the Transporter will be available with your choice of plug-in hybrid (eHybrid), all-electric (e-Transporter), or turbodiesel (TDI) engine.

TDI output variants:	81 kW (110 PS), 110 kW (150 PS) and 125 kW (170 PS)
Plug-in hybrid:	171 kW (232 PS) (coming later in 2025)
All-electric drive variants:	100 kW (136 PS), 160 kW (218 PS)

Charging forwards

Power your tools on the go with the option of a 230 V power hub (400 W), including a converter to power large electrical devices of all kinds. An inverter with an output of 2.3 kW will be available for the eHybrid and e-Transporter variants.

And keep your smartphone powered up too, with inductive charging via a stowage tray in the centre console. Further devices can be charged using up to seven USB-C, USB-A and 12-volt outlets.

Images are for illustration purposes only. Vehicles are European specification and may not reflect UK specification.

The all-new Transporter

Now with the 5+ Promise included

The all-new Transporter comes with Volkswagen 5+ Promise as standard. Featuring 5 services + 3 MOTs, 5 years' Warranty and 5 years' Roadside Assistance for added peace of mind.

5 Services + 3 MOTs
5 Years' Warranty
5 Years' Roadside Assistance

T&Cs: For diesel and eHybrid models, covers first 5 consecutive services, limited to 5 x Oil & Inspection Service, 5 x Pollen filters, 3 x MOTs. For electric models, covers first 3 consecutive services, 3 x Pollen filters, 3 x MOTs. Additional work, including wear and tear, is excluded. Warranty: earlier of 5 years or 124,000 miles. Servicing must be carried out in line with the requirements of the service schedule and all servicing and warranty work must be carried out at a Volkswagen Commercial Vehicle Authorised Repairer. Warranty exclusions apply (including shorter warranty period for components subject to wear and tear, mechanical adjustments (6 months/6,500 miles) and windscreen (1 month/600 miles). Roadside assistance: excludes costs of parts, garage, labour or other costs in excess of specified limits. Other limitations & exclusions apply. See Roadside Assistance Handbook for full details https://www.volkswagen-vans.co.uk/idhub/content/dam/onehub_nzf/importers/gb/downloads/roadside_assistance_handbook.pdf. Servicing & MOTs administered by Volkswagen Commercial Vehicle Financial Services. Warranty administered by Volkswagen Commercial Vehicles UK. Roadside assistance administered by AA.

New Transporter Commerce TDI

Exterior features
16" steel wheels 6.5J
Goodyear summer tires
Tire Mobility Set (12-V compressor and tire sealant)
Mud flaps in front
LED headlights with seperate LED daytime running lights
High-beam control
LED rear combination lamps
Black grained add-on parts and body-colored radiator grille
Black grained bumpers in front and rear
High-gloss black exterior mirror housings and door handles
Power-adjustable and separately heated exterior mirrors
Heat-reflecting side window glass
Laminated windshield made of heat-reflecting glass
Rear wing doors
Vehicle opening configuration 1 1x = 1st row of seats / 2x all doors
Sliding door on front passenger side
Transporter nameplate on the rear, black grained decorative trim

Cab area
2-seater bench and single drivers seat in cab
2-seater bench with load-through system (with partition in panel van) and folding table (pulls out from middle seat)
4-way head restraints, adjustable in height and tilt
Seat trim covers in striped fabric
Two armrests for right seat in cab
6-way adjustable driver seat
Manually adjustable 2-way lumbar support for drivers seat
Roof grab handles on driver side and front passenger side
Black plastic scuff plate in front, not illuminated
Multi-function steering wheel
Gear lever in plastic (for manual engines)
Single-zone air conditioning system with manual control in cab
Interior lights for cab
Narrow centre console with cup holder and compartment for mobile phone
Overhead storage compartment
Rubber floor covering in cab
Standard glove compartment

Cargo area
2 LED lights in roof of load compartment
Black plastic scuff plate for sliding door, not illuminated
Lashing rings for reinforced floor covering
Metal partition, high, without window includes load through function
Without floor covering in load compartment
Infotainment and technology
12-inch digital drivers display
13-inch touchscreen infotainment display with Wireless App Connect and DAB radio
Preparation "VW Connect" and "VW Connect Plus"
5G modem
4 speakers (2x in dashboard, 2x in cab doors)
2x 15-W USB data / charging ports in dashboard and 1x USB-C, 1x USB-A centre console

Safety and driver assistance
Cruise control system with predictive speed limiter
Double-sound horn
Driver and front passenger airbags with front passenger airbag deactivation
eCall Emergency call system
Electronic engine immobilizer
Electronic Stability Control (ESC)
Front collision warning with braking
Keyless Start without SAFELOCK
Lane Assist
Rear parking sensors
Dynamic Road Sign Display and wrong-way driver warning
Driver and front passenger airbags with front passenger
Front and curtain airbags for driver and front passenger
Seat belt pretensioner for the driver seat
55L Fuel Tank
Alternator 230 A
AGM vehicle battery with 80 Ah
Preparation for alcohol ignition interlock
5+ Promise*

*For diesel and eHybrid models, covers first 5 consecutive services, limited to 5 x Oil & Inspection Service, 5 x Pollen filters, 3 x MOTs. For electric models, covers first 3 consecutive services, 3 x Pollen filters, 3 x MOTs. Additional work, including wear and tear, is excluded. Warranty: earlier of 5 years or 124,000 miles. Servicing must be carried out in line with the requirements of the service schedule and all servicing and warranty work must be carried out at a Volkswagen Commercial Vehicle Authorised Repairer. Warranty exclusions apply (including shorter warranty period for components subject to wear and tear, mechanical adjustments (6 months/6,500 miles) and windscreen (1 month/600 miles). Roadside assistance: excludes costs of parts, garage, labour or other costs in excess of specified limits. Other limitations & exclusions apply. See Roadside Assistance Handbook for full details https://www.volkswagen-vans.co.uk/idhub/content/dam/onehub_nfz/importers/gb/downloads/roadside_assistance_handbook.pdf. Servicing & MOTs administered by Volkswagen Commercial Vehicle Financial Services. Warranty administered by Volkswagen Commercial Vehicles UK. Roadside assistance administered by AA.

Commerce Plus (over Commerce TDI)

Exterior features
Steel spare wheel 215 / 65 R16 C, without tire pressure sensor, with jack; for 4Motion engines Temporary spare wheel 155 / 70 R17 with jack
Mud flaps in front and rear
Body-coloured add-on parts and body-colored radiator grille
Body-coloured bumpers in front and rear
Body-coloured exterior mirror housings and door handles
Cab area
Leatherette-wrapped multi-function steering wheel
Gear lever in leatherette (for manual engines)
Selector lever for automatic transmission on steering wheel
Safety and driver assistance
Anti-theft alarm system, interior monitoring, backup horn, and towing protection
Keyless Start with SAFELOCK
Parking sensors front and rear
Rear view camera

Commerce Plus BEV (over Commerce TDI)

Exterior features
Tyre mobility kit in lieu of spare wheel:12-volt compressor and tyre sealant
All-season tyres
Cab area
Heated seats, individually controllable
Single-zone air conditioning system with automatic control in cab
Safety and driver assistance
Heat pump
Electromechanical brake booster
Electric auxiliary heater (for BEV and PHEV)
Single-tone horn

Commerce Pro (over Commerce Plus TDI)

Exterior features
16" silver alloy wheels "Montreal"
Anti-theft wheel bolts
Exterior mirrors, power-adjustable, heated and power-folding
Laminated windshield made of heat-reflecting glass, heated
Cab area
Heated seats, individually controllable
Glasses compartment in roof on driver side, roof grab handle on front passenger side
Grab handle on passenger side, A-pillar
Single-zone air conditioning system with automatic control in cab
Cargo area
12-V outlet on D-pillar at the bottom, rear right
3 additional super-bright LED lights in load compartment
Infotainment and technology
Wireless mobile phone charging
3x add. 15-W USB-C charging ports - 1x storage comp. in fr. of steering wheel, 1x glove comp., 1x int. rearview mirror
Safety and driver assistance
Adaptive Cruise control system with predictive speed limiter (includes Traffic Jam Assist on automatic gearboxes)
Electromechanical brake booster
Front collision warning with braking, including Cross Traffic Assist, oncoming vehicle braking and swerve support
Lane Assist with Blind Spot Assist and exit warning system
Parking sensors front and rear, with manouver braking
Dynamic Road Sign Display and wrong-way driver warning

Commerce Pro BEV (over Commerce Plus TDI)

Exterior features
Tyre mobility kit in lieu of spare wheel:12-volt compressor and tyre sealant
All-season tyres
Cab area
Leatherette-wrapped multi-function steering wheel, heated
Safety and driver assistance
Heat pump
Electromechanical brake booster
Without alternator
Electric auxiliary heater (for BEV and PHEV)
Single-tone horn

1 These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. Other factors including Gross Vehicle Weight, trimline, extra equipment, options and accessories (wheels, tyres, etc.) may change vehicle parameters such as the weight, rolling resistance of the tyres and the aerodynamics and thus influence the fuel consumption, CO₂ emissions and driving performance values.

2 Maximum combination weight (vehicle plus trailer load) applies. Maximum gross vehicle weight will vary depending on a number of factors, including optional features, accessories fitted, engine selection and vehicle load. Maximum combination weight and, therefore, maximum gross trailer load is dependent on maximum gross vehicle weight and will vary. Please consult your authorised Volkswagen Van Centre for further information.

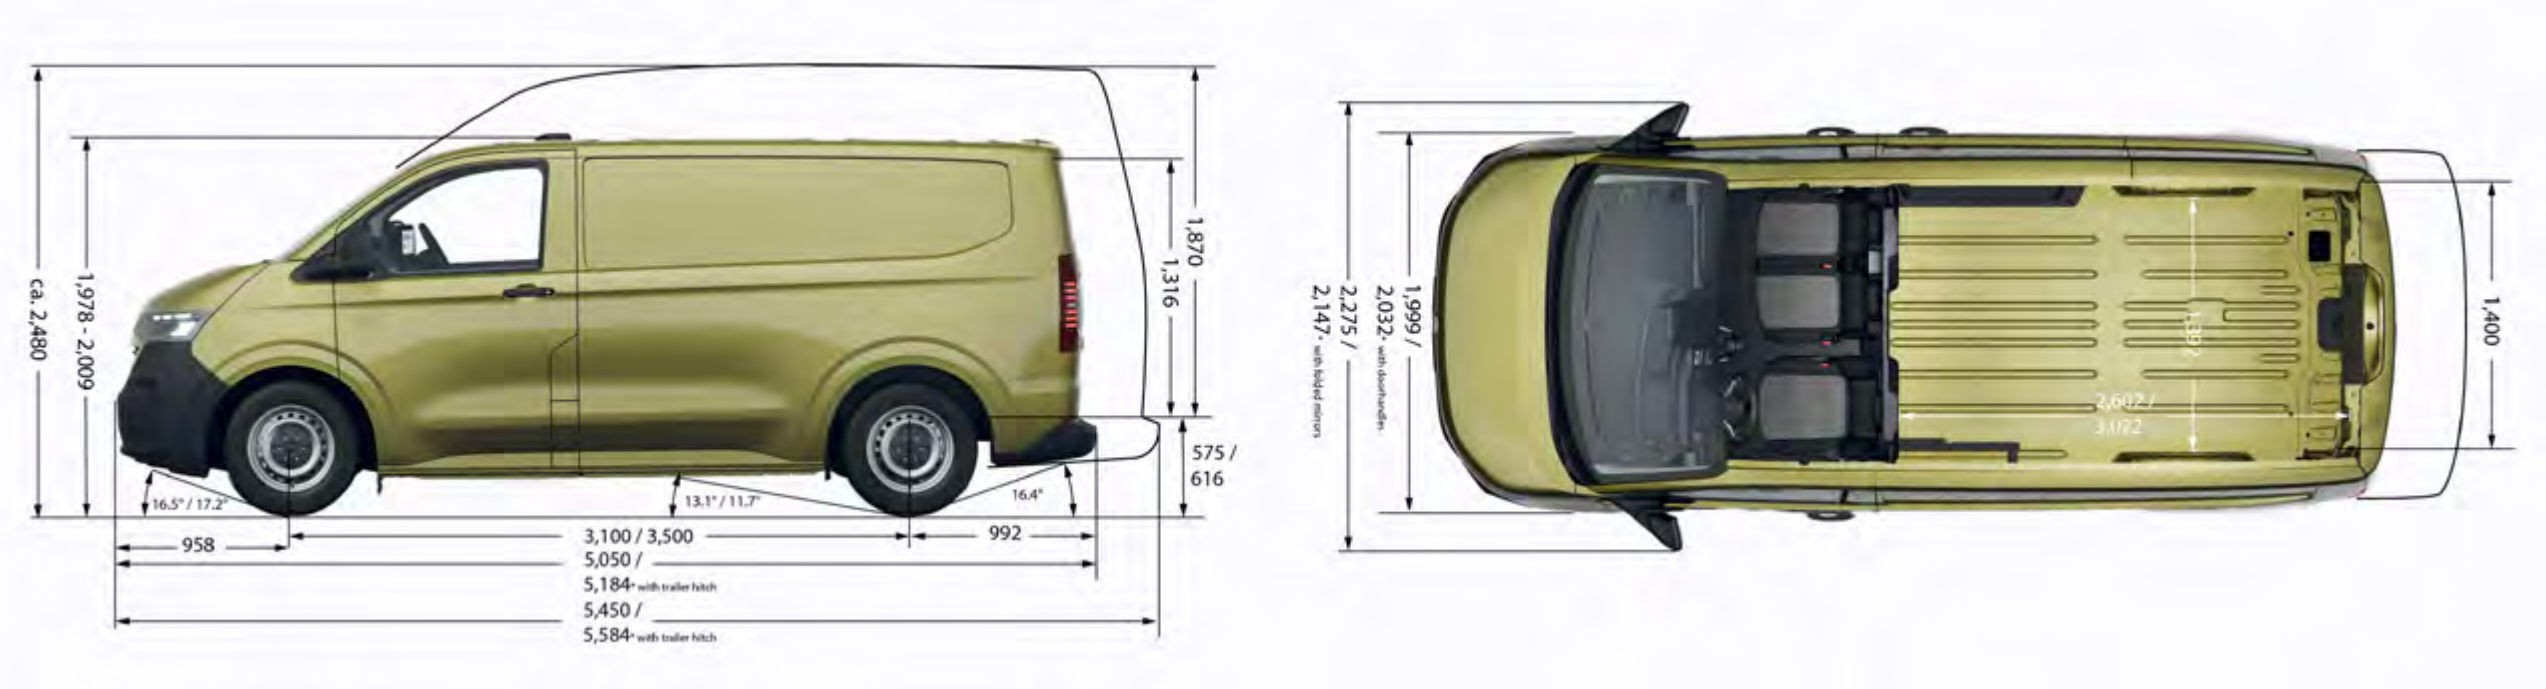

3 Unladen weight includes approximately 90% fuel load and 75kg for driver.

4 Payload = gross vehicle weight minus unladen weight (including driver). Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Roof load limit: 100kg (with two roof carriers) or 150kg (with at least four roof carriers) for normal roof only. Trailer nose weight: 100kg.

Panel van dimensions

Roof height		SWB, normal roof	LWB, normal roof
Wheelbase		3,100	3,500
Vehicle	length, mm	5,050	5,450

Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

*On the road (OTR) package for electric variants includes: Delivery to Van Centre £835.00, number plates £20.00, VAT £171.00, first registration fee £55.00. Vehicle excise duty (VED) 1st year £345.00. Basic OTR price (exc. VAT) is £1,255.00. Total OTR price (inc. VAT) is £1,426.00.

**The Plug-in Van Grant (PiVG) is a grant currently offered by the Office for Zero emission Vehicles (OZEV) to eligible manufacturers to promote the purchase of ultra-low emission vehicles. The e-Transporter is currently pending eligibility approval for this scheme. If the e-Transporter becomes eligible for the PiVG, then customers purchasing an e-Transporter will receive 35% off the purchase price, up to a maximum of £5,000 (subject to an overall limit of 1000 van or truck grants per business or organisation, across all manufacturers, each year being 1 April – 31 March. The £5,000 grant has already been deducted from the 'Total RRP inc. OTR inc. VAT inc. Plug-in Van Grant (eligibility pending)' price shown (and therefore the recommended 'On the road' price will increase in the event that grant funding is ultimately not applicable, withdrawn, or eligibility for the grant or the grant amount changes, for any reason, or the annual limit is exceeded). Your authorised Volkswagen Van Centre will submit the details of your order online in order to claim the grant funding. The grant is subject to full T&Cs and eligibility requirements. For more information, please contact your authorised Volkswagen Van Centre or visit www.gov.uk/plug-in-car-van-grants/overview. The Government Plug-in Van Grant (PiVG) is applicable to UK sales only (excludes the Channel Islands or Isle of Man). Vehicle eligibility and grant figure correct as at 15.01.2025.
