# Chassis cab converter options (continued)

Heating and ventilation	PR Code	Van	Commerce	
			Single/Double cab	
			Basic exc. VAT	Total RRP inc. VAT
Second heat exchanger, air outlet first row of seats.	6AB	Chassis cab	£1,005.00	£1,206.00
Water auxiliary heater - with programmable parking heater and remote control.	7VL	Chassis cab	£1,065.00	£1,278.00
Additional water heater (5 kW).	9M5	Chassis cab	£620.00	£744.00
Climatic air conditioning in the cab. The manual "Climatic" air conditioning system offers the following functions: Temperature control, continuously adjustable. The blower speed can be set in 4 different levels (level 0: blower and Climatic is switched off, level 4: highest blower speed). Air distribution in four zones, continuously adjustable (windscreen, windscreen and footwell, footwell, head and upper body area). Air recirculation mode. Defrost function: air is distributed over the interior surface of the windscreen to clear the fogged or iced-up windscreen as quickly as possible. AC: cooling mode can be switched on or off. Rear windscreen heating: works when the engine is running and automatically switches itself off within 10 minutes. The selection between warm or cold is approximate. It is not possible to set a specific degree of temperature.				
	KH6	Chassis cab	£1,660.00	£1,992.00
Safety and security				
Automatic Post-Collision Braking.	1AS	Chassis cab	●	●
First aid kit and warning triangle.	1T3	Chassis cab	£30.00	£36.00
Warning light, warning triangle and first aid kit.	1T6	Chassis cab	£45.00	£54.00
Warning triangle.	1T8	Chassis cab	£50.00	£60.00
First aid kit with warning triangle and safety vest.	1T9	Chassis cab	£30.00	£36.00
Airbag - driver's and passenger's airbag with front passenger's airbag deactivation.	4UF	Chassis cab	●	●
Airbag's - side and curtain for driver and front passenger. Upon activation, the head airbag inflates vertically downwards and positions itself in front of the side window like a curtain. Side airbags protect the head and upper body. They support the effect of all constructional design measures incorporated in the bodywork (e.g. door reinforcements) to protect the vehicle occupants in the event of a side impact. The side airbags are integrated in the backrest of the seats and inflate between the door trim and the driver or front passenger. DOUBLE CAB ONLY.

# The Crafter chassis cab

This brochure supersedes all previous publications.

Issue: 1 April 2025

[www.volkswagen-vans.co.uk](http://www.volkswagen-vans.co.uk)

Please note: Screen technology does not allow exact reproduction of the paint and upholstery colours. Some of the vehicles shown are European specification and may be fitted with optional equipment or accessories that are available at extra cost, or do not reflect current specification. All data and specifications are in accordance with information available at the time of publication and are subject to change without notice. Vehicles not currently in UK stock and customer order vehicles may take a number of weeks for delivery. Certain combinations of vehicle specifications and factory-fitted options are not compatible and therefore all orders received are subject to confirmation. Models, factory fitted-options and paint and upholstery options are subject to availability. Please check details and availability with an authorised Volkswagen Van Centre at the time of ordering.
