1 This brochure relates to vehicles tested according to WLTP technical procedures. Technical information (including fuel consumption, CO₂ emissions and range) is yet to be confirmed but will impact VED, BK and OTR. We regularly update specifications so all technical information is subject to change (and this may include changes between order and delivery). There may be a delay in updates showing on our site. Always consult your authorised Volkswagen Tour Centre for the latest price and technical information.

2 Please note: 3.88T gross vehicle weight models require drivers to have a driving licence with C1 classification. Please consult your authorised Volkswagen Tour Centre or visit: www.gov.uk/driving-motorhome for more details.

Illustration includes options at extra cost.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 11.7.2022. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Tour Centre for further information.
