* Please [click here](#) for more details on manufacturer's on the road (OTR) package price.

† Stock only - not available for factory order. Any untagged stock is eligible for inflationary price increases - model and option pricing. For correct pricing on a VIN level, speak to your chosen Van Centre or Volkswagen retailer.

All prices shown are Volkswagen Commercial Vehicle UK's Manufacturer Direct Price and may vary from time to time (this includes where there are changes in regulation and/or legislation). Vehicle is Sold by Volkswagen Commercial Vehicles UK, a trading division of Volkswagen Group, United Kingdom Limited. Volkswagen Commercial Vehicle UK's Manufacturer Direct Price includes: delivery to retailer, number plates, new vehicle registration fee, the first year's Vehicle Excise Duty and VAT (calculated at 20%). There may be a delay in any price displaying correctly on our website and materials and it is always possible that, despite our best efforts, some vehicles may be incorrectly priced. Always obtain prices from your chosen Van Centre or Volkswagen retailer who act as agents on behalf of Volkswagen Commercial Vehicles UK. Images shown do not reflect the stated entry level prices.

1 Net to energy amount.

2 Figures for the Volkswagen ID. Buzz battery electric vehicle. Fuel consumption for battery electric vehicles is N/A and CO₂ emissions are zero while driving. Battery electric vehicles require electricity for charging. Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 16.9.2022. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre or Volkswagen Retailer for further information.

3 From 1 April 2021, the official CO₂ emissions values used to calculate Vehicle Excise Duty (VED) charges will change for all passenger car registrations in the UK, due to a change in the method of testing. This will affect the Manufacturer Direct Price (MDP) you pay (in most circumstances, prices will increase). The Manufacturer Direct Price (MDP) and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2021. Choice of wheels and other options may affect fuel consumption, BIK and emissions data (which may affect the amount of VED payable and therefore the Manufacturer Direct Price (MDP). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2021.

Optional **equipment.**

The ID. Buzz

This brochure supersedes all previous publications.
Issue: 1 April 2025
www.volkswagen-vans.co.uk

Please note: Screen technology does not allow exact reproduction of the paint and upholstery colours. Some of the vehicles shown are European specification and may be fitted with optional equipment or accessories that are available at extra cost, or do not reflect current specification. All data and specifications are in accordance with information available at the time of publication and are subject to change without notice. Vehicles not currently in UK stock and customer order vehicles may take a number of weeks for delivery. Certain combinations of vehicle specifications and factory-fitted options are not compatible and therefore all orders received are subject to confirmation. Models, factory fitted-options and paint and upholstery options are subject to availability. Please check details and availability with an authorised Volkswagen Van Centre at the time of ordering.
