Add Ons

Accessories to help keep your vehicle **100%** Volkswagen.

What are Add Ons?

Every Volkswagen van is available with a great selection of factory-fitted options, but you may feel you need something extra. That's where Add Ons come in.

Add Ons is our extensive range of Volkswagen approved accessories, which can be bought and fitted at your local Van Centre. Whether you want to add style, get more from your load area, turn a working van into a leisure vehicle, or add audio, Bluetooth® or satellite navigation, we've got a solution for you.

Add Ons are designed with your Volkswagen in-mind, so they're a perfect match for style and fit. They're also built to be as rugged and long-lasting as your vehicle.

Most Add Ons have a two-year warranty, however, if you order and have them fitted to your new vehicle, we may be able to extend this to match your three-year vehicle warranty.

Visit your local Van Centre today and ask them how much Add Ons can add to your vehicle.
